TAKE IT FURTHER

Charger's attitude is so intense, it's impossible to ignore. The first glance sends shivers. The second begs you to slide your hand along its low, lean profile and scalloped bodyside. The imposing grille leaves no question where this retro-modern muscle came from. Today, Mopar® offers an impressive line of exclusive

performance parts for Dodge Charger. The lineup ranges from Suspension Kits to Pad and Rotor Upgrades to Custom Wheels machined to match Charger's exact specifications. Regardless of which performance or appearance enhancements you choose, you can rest assured your Charger will command authority.
